

PARTS DEPARTMENT OVERVIEW

Your success in the field is our business!

Stringent Quality Control

Medical Outfitters Parts, a subsidiary of Medical Outfitters Inc. is a trusted provider of replacement parts for diagnostic imaging equipment for all modalities with focus on X-Ray, PET/CT, CT, and MRI. We specialize in the sale of new, used, and refurbished parts from Philips, Siemens, Toshiba, GE, Carestream, Planmed, and Sonoscape.

We provide coil repair and rentals for Siemens, Philips, Fujifilm / Hitachi and GE systems. We pride ourselves on our parts testing measures as we know quality is key, giving you the confidence when purchasing from Medical Outfitters Parts. Our response time and customer service is of utmost importance as we know that when systems are down, time is of the essence so we offer same-day services, next flight out shipments, and technical support.

We provide a warranty on all parts sold.

We offer:

- Hundreds of Multi-Modality Parts Ready to be Installed
- Large selection of Siemens & Philips PET/CT, CT, & MRI Parts.
- Average Savings from OEM Cost: 70%
- Quality Control Testing on Parts
- Coil Repair & Rental
- 24/7 Shipping
- Serving USA & Latin America
